Introducing Parents to PowerSchool’s Parent Portal

Quick Reference Card

Introducing Parents to PowerSchool’s Parent Portal

This course introduces you to the most common operations performed by parents and guardians in PowerSchool’s Parent Portal. Subjects covered include Parent Portal account creation, sign in, grades and attendance, communications, and course registration.

Sign In

For parents, guardians, or students to sign in to the portal:

1. Enter the Internet address of your school’s public PowerSchool server (add the suffix “/public” to the address if needed)
2. Enter the username and password, then click Sign In

If parents, guardians, or students forgot their usernames or passwords:

1. Click Having trouble signing in?
2. Select the tab for either “Forgot Password?” or “Forgot Username?”
3. Enter the username and email address to retrieve the password or enter the email address to retrieve the username, then click Enter
4. Account information will be sent to the email address

Create a Parent/Guardian Single Sign-in Account

For parents or guardians to create their own accounts:

1. Enter the Internet address of the school’s public server (add the suffix “/public” to the address)
2. In the Create an Account section, click Create Account
3. On the Create Parent Account page, enter the parent/guardian first name and last name in the appropriate fields
4. Enter the parent’s email in the next field
5. Enter the desired username and password in the appropriate fields
6. Re-enter the password for security authentication
7. For each student to be associated to the account, enter the student name, access ID, and access password
8. Open the Relationship menu and select the appropriate relationship for each student being added
9. To create the account, click Enter

To update the first and last name, user name, and password for the account, click Account Preferences. Update information as needed under the Profile tab, then click Save.

Add Children to a Parent/Guardian Account

Once the account is created, a parent or guardian may still add students to the account.

1. In the Navigation menu, click Account Preferences
2. To add or edit students, click the Students tab
3. To add a child, click Add
4. In the Add Student window, enter the student name, access ID, and access password
5. Open the Relationship menu and select the correct relationship
6. Click Submit

Email Notifications

To modify the information sent to a parent or guardian:

1. In the Navigation menu, click Email Notification
2. Select the desired information to be included in the email report
3. Open the “How often?” menu and select the frequency of report delivery
4. To send the report to other addresses, enter the addresses in the Additional Email Addresses field (separate additional addresses with commas)
5. If these changes are for all students on the account, check Apply these settings to all your students?
6. To send a report immediately for the selected student, click Send now for [student name]
7. To save the email preferences, click Submit
